

Craft Project

ACTIVE STREETS

The task:

We are looking for people to show us how they get to school by making an image or model of their transport method.

We are looking for pictures of bikes made from pasta, rollerskates made from toilet rolls, scooters made from old letters!

Cut, glue, tape, stick, paint, colour - be as creative as you like to produce your image or model.

We cant wait to see what you come up with!

How to share with us:

Send us an email with your image, name and school to:

hello@active-streets.co.uk

or post on social media with the hashtag:

[#ActiveStreetsEdinburgh](https://twitter.com/ActiveStreetsEdinburgh)

Our bike example!
